

RESOLUTIONS ADOPTED BY GURUDWARA SIKH CULTURAL SOCIETY, RICHMOND HILL, NEW YORK, USA

Dear fellow Sikh bretheren,

Attached is a copy of the Resolution adopted by 25 largest Sikh Gurudwaras and organizations of the NE, USA, regarding the very serious situation faced by our Sikh community. The resolution is in Punjabi but the jist in English is:

(Background: There is a very serious, well organized, concerted vicious effort to **DETACH** Sikhs from Only One SIRI GURU GRANTH SAHIB, AND Add another (Dasam Granth) AS another SIRI GURU GRANTH SAHIB and are Promoting the 2nd Granth be placed next to original SIRI GURU GRANTH SAHIB and Parkash be done from both.

Some innocent Guru loving Sikhs have fallen for this trap, whereas (Guru Sahib himself said - *Sab Sikhian Ko Hukam Hai, Guru Manyo Granth – ONLY 1 GURU GRANTH SAHIB*).

So, Now many concerned prominent Intellectuals, major Gurudwaras and Organizations are pleading to the SGPC, our Head Clergy and Politicians to stop this denigration, but they had been ignoring All pleas.

Prof. Darshan Singh, Ex-Jathedar of Akal Takhat Sahib; had been trying to point this out and awaken the Sikhs, as to what is happening, so instead of encouraging him (for doing the work that SGPC should have been doing) the Clergy summoned him to the Akal Takhat on Nov. 5th 2009. He appeared at Akal Takhat Sahib on time and he wanted the meeting to be open, in front of the Sangat and the press, so the Whole Sikh World can know what is happening; to which the Clergy refused. So he left his written response in front of Siri Guru Granth Sahib at Akal Thakat Sahib which the Clergy still refused.

Major Sikh Gurudwaras, Organizations and Intlectuals Worldwide are up in arms at our leadership) – Hence these Resolutions:

- Condemned the Clergy for punishing Prof. Darshan Singh WITHOUT Openly hearing him in front of Sangat
- Praised Prof. Darshan Singh for holding everything in the open (so the Sikh World can know what is happening)
- That Prof. Darshan Singh will be HONORED at all foreign Gurudwaras
- Asked the Clergy to summon Gurcharan S Lamba, JUS Punjabi TV and its hosts Rair & Bhamra for their malicious activities
- Paid tribute to Shaheed D.S. Lohara and other injured Sikhs, who were shot while trying to stop a Ashutosh Mahraj from spewing venom against our Gurus at his congregation.
- Condemned SGPC, the Clergy and Badal Govt. for Not protecting the Sikh Interests, and promised to work for their ouster in the coming elections.

Friends, I am merely forwarding you what is going on in the community (Not with vengeance) but with a view that we can wake-up and make our leadership in Punjab realize, that they were elected to preserve and promote Sikhism, Not to sleep while others are denigrating & destroying us. Let us all pray for a miracle and Sarbat Da Bhala.
